### \*\*\* Japanese Whisky \*\*\*

Japanese whisky began a century ago with the dreams of Masataka Taketsuru and Shinjiro Torii to craft a uniquely Japanese spirit. The journey started at Kotobukiya Distillery (now Yamazaki), laying the foundation for a rich tradition. Today, Japan boasts over 100 distilleries, producing fine whiskies aged in casks such as sherry, ex-bourbon, Mizunara, and even cherry wood. Renowned for precision, craftsmanship, and balance, Japanese whisky reflects the nation's dedication to perfection.
